SAFEVISION MRI KIT PROPOSAL

Subject: Prescription lens proposal for fMRI Kit (Part Number: MRI-Kit)

SafeVision, LLC offers the following kit for use in fMRI & MRI applications:

24 sets of prescription lenses, ranging from +6.00 to -6.00, in 1/2 diopter increments, set in 24 prescription lens "insert frames" for the RX1000 insert.

2 goggles for interchanging the prescription lenses.
Interchanging lenses in the goggle is very fast and easy.

All materials are made of plastic, no metal, ideal for fMRI use.

Package Price: \$1,250.00 USD.

Additional interchangeable prescription lens powers available for \$60 each.

Optional Small Carrying Case: \$30 Optional Large Carrying Case: \$60

Wire Transfer Fee: \$20 (only for international shipments)

Shipping Costs:

 Within continental US – \$10.00

 Outside Continental US - \$30.00

Payment Terms: Payment in advance via credit card or bank wire transfer (\$20 wire fee additional). Contact Joel Wishne for bank wire instructions.

Purchase orders are considered for institutions in the United States.

Delivery Date: Kits are shipped within 10 days of purchase order receipt, credit card receipt or bank wire transfer receipt.

International Kits will be shipped via United States Postal Service.
